

Service Dogs

We are happy to accommodate all service dogs. Our staff has been trained in proper etiquette involving service animals. Once this form is completed, we will mark your chart so in the future your visit with your service animal proceeds smoothly.

Please check the appropriate box:

Please answer the following two questions if you checked the second box indicating your dog is a service animal:

1. Is the dog required due to a disability as defined by the Americans with Disabilities Act (ADA): Yes No
2. What work or task has the dog been trained to perform? _____

Unfortunately, we are not able to accommodate emotional support, therapy, comfort or companion animals.

NJ state law allows for penalties of up to \$500 for misrepresenting an animal as a service dog.
